

Don Bosco School, Liluah
06 July 2020

Dear Parents,

Students who would like to take special coaching in Mathematics through Mindspark may follow the instructions given by the company. Kindly go through the letter and take necessary decisions.

The school provided the platform to use Mindspark Maths since last 3 months. It helped our students to learn Maths from the comfort of their homes during this pandemic situation. Mindspark has resulted in generating more interest in students to practice Maths and eradicate their fear. Mindspark, we feel played a very crucial role in improving their learning outcomes.

We encourage you to help your child pursue their engaging Maths learning journey with Mindspark. It is recommended that all students from Classes 1 to 10 would continue using the Mindspark program on their own from July onwards till 31st March 2021.

Special price given by Mindspark is Rs. 2250/- (Retail price is 6740/-) per student for the entire academic year, which is payable in three quarters (July 2020, October 2020 and January 2021). Requesting all the students who wish to continue using Mindspark to pay the 1st quarter amount of Rs. 750/- within 20th of July 2020.

You can pay the subscription amount through IMPS/NEFT directly to the following account details of Mindspark. In case of payment of the subscription amount through IMPS/NEFT, please mention the name, class section of the student in the remark column.
