## RABINDRA JAYANTI CELEBRATION BY THE KINDERGARTENERS

The Nobel laureate, Tagore, was not only a great literary scholar but also a polymath, musician and artist. He is best known for writing the National Anthem of India and Bangladesh. The poems and quotes written by him are still standing as an inspiration to people across the world.

The birth anniversary of Rabindranath Tagore is popularly known as 'Rabindra Jayanti'. Remembering this great personality, we at Don Bosco School, Liluah paid a rich tribute to this 'Kavi Guru' by our little kindergarteners on 10<sup>th</sup> of May 2021. Guru Dev was given a lot of love and respect by our little boys through their dance performances, singing melodious songs, reciting poems and recitals from his repertoire. The program was a spectacular one as the boys also learnt a lot about Rabindranath Tagore and why he is given so much of importance, love and respect even today.

The boys happily participated in the event in three different languages English, Bengali and Hindi and presented a great show which marked the first cultural online activity for the session 2021-2022.
