

Report on The Indian Art Carnival

Good morning respected Father, respected teachers and to all my fellow Bosconians. I, Aryan Manna, of class 11 B, roll.no: 7, reg.no: 2010-198 of Don Bosco School Liluah, am profusely overjoyed to inform you all that I have participated in the mega Indian Art Carnival (International Art Contest). In this mega Indian Art Carnival, more than 2000 participants were there. There were around 124 participants from outside India. I represented my country, India. I secured the 11th rank in this Mega Indian Art Carnival. This platform is registered with the Government of India MSME – UDYAN – WB – D8 – D0D33D0 as mentioned in the certificate provided below. The results were declared on 15.08.2021. As I secured the 11th Rank, I have received a certificate of Appreciation along with a magazine. It was an amazing experience for me! All the artists who were a part of this mega Indian Art Carnival were just amazing! Today, I have received this precious award because I had self-confidence in myself. And to be honest, I don't have any art tutor, I believe in self-learning. If our intention is to achieve success, no one can stop us. One day or the other you will be paid off. Hereby, attaching my certificate of appreciation, my artwork which I presented there, my magazine and my picture. Thank you so much everyone.
